

# Greater Bay Area Market Design Workshop 2024

Day 1: Thursday, October 17th

Registration and coffee		9:30 – 10:00
Kenzo Imamura <i>(University of Tokyo Market Design Center)</i>	Strategy-Proofness and Competitive Equilibrium with Transferable Utility: Gross Substitutes Revisited	10:00 – 10:45
Jun Zhang <i>(Nanjing Audit University)</i>	Bundled School Choice	10:45 – 11:30
Isa Hafalir <i>(University of Technology Sydney)</i>	Market Design with Distributional Objectives	11:30 – 12:15
Lunch		12:30 – 14:00
Yosuke Yasuda <i>(Osaka University)</i>	Robust Exchange	14:00 – 14:45
Yan Song <i>(Shandong University)</i>	Correlation Neglect in College Admission: An Experimental Evidence	14:45 – 15:30
Coffee Break		15:30 – 16:00
Chiu Yu Ko <i>(Chinese University of Hong Kong)</i>	A General Scholar Ranking Method: Incorporating Journal Quality and Citation Metrics into Scoring Rules	16:00 – 16:45
Inácio Bó <i>(University of Macau)</i>	Designing a new market: Civil service jobs selection, assignment and reassignment in Brazil	16:45 – 17:30
Dinner <i>(Location: TBA)</i>		18:30

## Day 2: Friday, October 18th

Li Chen (University of Gothenburg)	The Unequal Effects of Information Provision on College Admission Outcomes	10:00 – 10:45
Bertan Turhan (Iowa State University)	How to Implement Soft Reserves in India: A Market Design Approach with Historical Perspective	10:45 – 11:30
Manshu Khanna (Peking University HSBC School)	Affirmative Action's Cumulative Fractional Assignments	11:30 – 12:15
Lunch		12:30 – 14:00
Eun Jeong Heo (University of Seoul)	Unambiguous Efficiency of Random Allocations	14:00 – 14:45
Alex Nesterov (HSE University)	The Existence of a Pure-strategy Nash Equilibrium in a Discrete Ponds Dilemma	14:45 – 15:30
Coffee Break		15:30 – 16:00
Bo Chen (Shenzhen University)	Information Disclosure and Full Surplus Extraction in Mechanisms with Non-contractible Actions	16:00 – 16:45
Informal Dinner (Location: TBA)		18:30
